

"We were interested in working with a likeminded agent who contributes to the local community. It was great working with our Cool Agent!"

- Joan Schwan and Geoffrey Skinner

The Cool Agents Alliance is a unique program partnering real estate agents with schools in Sonoma County.

Benefits for Schools

- * Helps schools save thousands of dollars per year through lower energy bills
- * Enhances student learning and civic engagement
- * Builds confidence, poise, and maturity in students as they start planning for college and careers
- * Offers hope for the future
